

CHF SPONSORED FALL 2021 TRAINING SCHEDULE

CHF online guidelines to staying engaged and participating:

1. Please download and test the software prior to the start of the workshop (i.e. Zoom or Microsoft Teams). Information will be provided upon registration as to which software will be used.
2. Create an online learning environment that minimizes distractions. Participants should be logging in from their office, a home office or a chosen quiet space from a laptop or computer, that has video and audio capabilities. (No cell phones please)
3. When possible, use headphones and ensure your camera is on so you can interact with other participants.

SCOLR

SCOLR is an electronic learning platform for Housing First practitioners across the province of Alberta

The Modules are:

- 1.Housing First 101
- 2.Housing First Graduation
- 3.Housing First Harm Reduction
- 4.Housing First Landlord Relations
- 5.The Homeless Charter of Rights

Online Anytime: Electronic Learning Platform

The trainings are designed to provide a very basic understanding for those who may be new to housing first principles; while offering a light refresh to those within your agency who are more experienced CHF / Province of Alberta
