

CHF SPONSORED WINTER 2023 TRAINING SCHEDULE

CHF online guidelines to staying engaged and participating:

1. Please download and test the software prior to the start of the workshop (i.e. Zoom or Microsoft Teams). Information will be provided upon registration as to which software will be used.
2. Create an online learning environment that minimizes distractions. Participants should be logging in from their office, a home office or a chosen quiet space from a laptop or computer, that has video and audio capabilities. (No cell phones please)
3. When possible, use headphones and ensure your camera is on so you can interact with other participants.
