# SPRING 2026 SCHEDULE

## Guidelines for online engagement & participation

### Gear up to engage

Use a computer or laptop with working video and audio (No mobile devices, please). Use headphones when possible and turn your camera on to create a more interactive experience.

### Download & test the software

Information will be provided upon registration as to which software will be used (i.e. Zoom or Microsoft Teams). Please download and test it prior to the start of the session.

### Create a focused environment

Set up in a quiet location with a strong internet connection, like an office or dedicated workspace, to minimize background noise and distractions—for yourself and others.
