

DAY SPACES...

Provide safe, dignified places for unhoused Calgarians to connect with services and community. They allow people to escape extreme weather and rest in welcoming, people-centred environments year-round.

ARE...

- Safe
- Welcoming & Non-judgemental
- People-centred
- Accessible by transit
- A network of small spaces

ARE NOT...

- Detoxification services
- Supervised consumption sites
- Overnight shelter services

DO...

- Extend weekday/weekend hours
- Utilize trauma-informed design
- Work to mitigate impacts on local communities
